

# Hi! I'm Ms. Perkins

Welcome to Kindergarten! I am overly excited to be able to Experience this journey with you all! We plan to not only learn but have fun while learning and growing together. I cannot wait to see what the year has in store for us! I will formally introduce MYSELF!

I am an aspiring teacher and a teacher assistant for the first year ever! I am a recent graduate of Jackson State University, where I received my Bachelor's degree in Journalism with a minor in Management. I am currently a graduate student pursuing a Master's in Teaching and to eventually earn an MBA degree.

When time permits, I love to research things that interest me, read books, shop until I drop (literally most times), spending time with my family and close friends, and just being the best version of myself!

While this is my first year as a teacher assistant, my mission will be to first cater to the needs of the students. Secondly, to have the best year possible while being safe, full of love and enjoyment for every student!

Reading, writing, and math has never been so much fun, but our flock will show everyone how it's done!!!

## A few OF MY favorites:

- |         |  |
|---------|--|
| COLOR:  | Blue                                   |
| SEASON: | Winter                                 |
| FOOD:   | Hibachi, Mexican, Seafood              |
| DRINK:  | Sprite or Sweet Tea                    |
| SONG:   | "Oceans" by Hillsong                   |
| BOOK:   | <u>The Bluest Eye by Toni Morrison</u> |
| SPORT:  | Basketball/Football                    |
