Summer Reading & Summer Work Packets

Students entering 2nd grade at ASE are **expected to log 100 books** over the summer before the first day of 2nd grade. **Students reading longer chapter books may log each chapter as an individual book on the log.** Your child may also log books they read on **MyON**. Summer reading should be a fun experience for the parent and the child. As your child is reading, discuss the beginning, middle and end of the story. Ask your child to compare and contrast characters. Discuss their favorite part of the story. With nonfiction texts, have them point out text features and discuss information they learned.

Students entering 2nd grade at ASE are also expected to complete the summer work packet. This packet provides important practice in reading, math and writing skills.

When your child turns in their SUMMER READING LOG along with their SUMMER WORK PACKETS on the first day of school, they will receive an invitation to the **BACK TO SCHOOL BASH we will hold at the beginning of school.**
