

**Bus assignments will be available through a link on your ActiveParent account before the start of school. Durham School Services also provides the Bus Tracker app. Read below for more information:**

Our goal is to provide parents and guardians with a greater sense of comfort and visibility with your student's transportation. We are proud to offer our app which allows monitoring of your student's bus: **Durham Bus Tracker®**.

Durham Bus Tracker® allows you to view your student's, current school bus location. Information about the route, **in near real time**, including the scheduled and estimated arrival times to your stop.

**Benefits Include:**

- User-friendly
- Free for parents and guardians to download and use
- View all routes and scheduled stops including field trips
- Receive messages that notify users of route delays and schedule changes
- Parents and guardians can track all of their students' buses in one screen
- Durham Bus Tracker® integrates seamlessly with the district's existing routing software
- Available in English and Spanish
