

MAVS BOOSTER CLUB MEMBERSHIP FORM

The Germantown MAVS Booster Club serves as the mechanism in which family and friends can work together on behalf of our school. Our immediate goals are to build a foundation of membership from supporters for all 24 Sports at Germantown and its feeder schools. Once we have done that, we then want to: 1) assist our administration in enhancing the student athlete's high school experience through volunteer work and financial contributions, 2) to promote and market the athletic achievements of ALL Sports at Germantown, and 3) to better communicate to our families, friends and supporters information about all of our Sports at Germantown... This is your opportunity! Please join us and ask others to join us as well.
