

Germantown High School Band

Tentative 2024 Calendar **(updated as of 1/30/24)**

While much time and consideration has gone into the planning of 2024, certain elements of this calendar is tentative and is subject to change.

1. With the district's fall break week, it is imperative that students and parents understand NOW that we will rehearse some that week and our state evaluations are the weekend fall break concludes. This is our state evaluation (state testing for band) and is a required event (just as all contest and rehearsals are required). We understand this is a tough thing to work through as most students will be on break while band is still rehearsing, but this is a fall activity and our busiest time of year is October. We will be rehearsing and competing that week(ends) as will football, volleyball, cross-country, swim, dance and cheer. Band is not the only activity that will be affected by the fall break. Navigating this week-long fall break is just part of the responsibilities of our members. Vacations and other similarly planned events, are not and will not be excused absences. As a member of the 2024 marching band, all events are mandatory, including events during and around the fall break. Please plan accordingly.
2. 2024 marching season competitions (Sept-Nov) highlighted in **ORANGE** are tentative dates upon which we do not have enough information to make a decision. As soon as Bands of America releases dates for additional regionals, we will make a decision on which weekends we will be performing. While these dates are TBD, they will not ALL be competition dates. Some of the dates in orange will be competitions, and some will be "off", we just do not know which ones at this time.
3. Some away games will feature a full band performance.
4. This calendar is intended on assisting our families' financial planning **and attendance at all required band functions**, but again is a work-in-progress and could change.

Thank you for your understanding, attention and planning. It is critical that ALL students that are members of the band are in attendance at all required camps, events, and rehearsals. Please use this information to plan accordingly to the extent possible. We are looking forward to another LEGENDARY year!

Justin Harvison, Director of Bands
