

MAVS BOOSTER CLUB 2020-2021 MEMBERSHIP FORM

The Germantown MAVS Booster Club serves as the mechanism to allow family and friends to work together on behalf of athletics at our school. Our immediate goals are to build a foundation of membership from supporters for all 24 sports at Germantown and its feeder schools. Once we have accomplished that task, we want to

- 1) Assist our administration in enhancing the student athlete's high school experience through volunteer work and financial assistance
- 2) Promote and market the athletic achievements of ALL sports at Germantown
- 3) Communicate important information to our families, friends, and supporters about all our Germantown Sports.

This is your opportunity? Please join us and ask others to join as well.
