ENROLLMENT

COMPULSORY AGE/ATTENDANCE

"Compulsory school age child" means a child who attained or will attain the age of 6 years on or before September 1 of the calendar year the child wishes to enroll in first grade. Kindergarten attendance is not compulsory; but in accordance with Miss. Code Ann. Section 37-13-91, students who attain the age of 5 years on or before September 1 of the calendar year may attend kindergarten in the District. If a compulsory school age child has not been enrolled in a school within fifteen (15) calendar days after the first day of the school year, or such child is habitually absent without excuse, the principal or designee shall report the child to the school attendance officer of the youth court or family court for investigation.

DEFINITION OF RESIDENCY

Definition of "residency" for school attendance purposes: The student and the parent/guardian physically reside full time, week days, week nights and weekends, at a dwelling located within the boundaries of Madison County Schools. The school district administrative staff will verify the residence of each student.

Residency requirements are strictly enforced. The residency requirements outlined below are minimum requirements. The District reserves the right to require additional documentation and verification at any time.

Principals are empowered by the Board of Education to determine at any time that a child is not legally enrolled and may not attend classes.

DOCUMENTATION

A parent or legal guardian must accompany each student seeking to enroll in the District. No student will be officially enrolled in the Madison County School District until all of the following requirements have been fully satisfied.

- Present proof of residency within the Madison County School District;
- Present a certified birth certificate (not a copy);
- Present a certified court order of guardianship when enrolling a student as his/her legal guardian;
- Present a certificate of health compliance (immunization form) issued by the Mississippi Department of Health or a local physician as required by Mississippi law;

GRADING

Explanation of Grades

A	90 - 100	D65 - 69
B	80 - 89	F	0 - 64
C	70 - 79	I	Incomplete
NC	Inadequate Attendance	NG	No Grade

In an effort to properly prepare middle and high school students to take standardized testing mandated by both the state and federal governments, the District requires middle and high school students take a comprehensive exam in Carnegie credit bearing courses at the end of each semester. These exams will count as a major grade and will be weighted accordingly. First and second term grades will be averaged to compute a 1st semester grade. The third and fourth term grades will be averaged to compute the 2nd semester grade.

- The 1st semester cumulative exam = 20% of the semester grade
- The 2nd semester cumulative exam = 20% of the semester grade
- The final average = 1st semester average + 2nd semester average divided by two

If the method of arriving at grades varies, it will be clearly stated at the beginning of the term to the student and parent.

HONOR ROLL

The District recognizes two types of honor rolls:

- The "A, B" honor roll shall be composed of all students with grades no lower than 80/B.
- The "All A" honor roll shall be composed of all students with grades no lower than 90/A.
