STUDENT ORGANIZATION

Digital Media students are encouraged to become members of the student organization, Technology Student Association (TSA).

ABOUT DMT

The 1st year covers Photography, Graphic Design, and Music, utilizing software such as Photoshop, InDesign, Illustrator, and Logic. In the 2nd year, the focus shifts to Video and Animation, with tools like Final Cut and Motion being utilized.

COURSE DESCRIPTION

This program focuses on empowering students to create and execute digital media projects. It emphasizes mastering techniques, tools, creative design, and content development. The course covers graphics, multimedia, video, and animation, providing exposure to cutting-edge equipment guided by industry experts. The inclusive project segment offers hands-on experience for building a comprehensive portfolio.

REQUIRED FEE

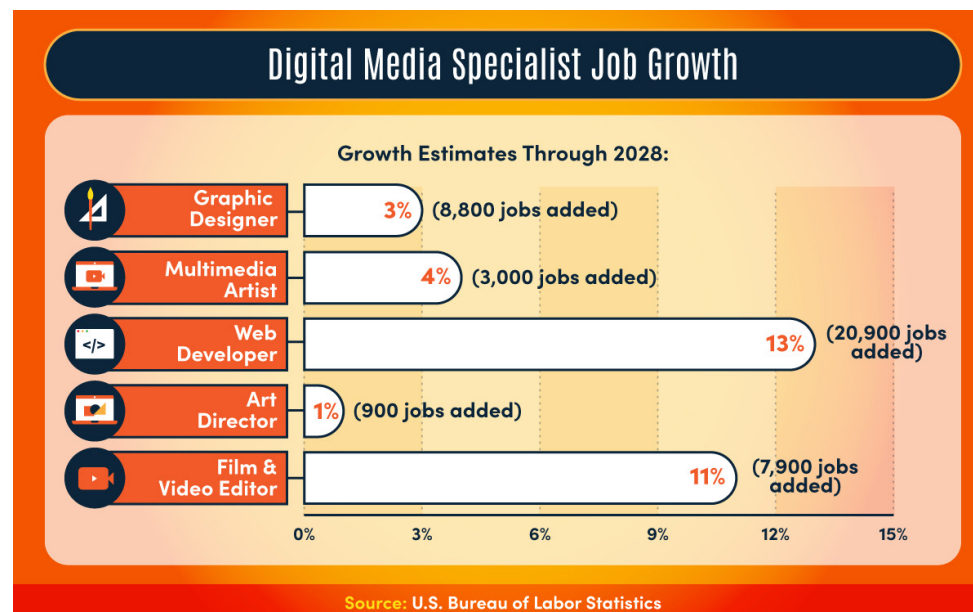

Students enrolled in Digital Media Technology I & II have to pay a \$25 fee that includes a class T-shirt.

OUR EQUIPMENT

STUDENTS HAVE ACCESS TO STATE OF THE ART EQUIPMENT.

- 27 " iMac Computers in Digital Media Lab
- Adobe Software
 - After Effects, Illustrator, InDesign, Photoshop, and Premiere
- Apple Software (Final Cut, Logic Pro, and Motion)
- Equipment: Wide Format Printer, Wacom Tablets, Blackmagic, Canon, GoPro, & Sony Cameras, MIDI Keyboards, & Launchpad

CAREER OPPORTUNITIES

Those pursuing programs in this field dedicate their studies to skills in graphic design, photography techniques, and video production. Mastery of creating and manipulating digital images, along with understanding key concepts related to computers and graphic design, is essential for success in these programs.
