

**YOU ARE INVITED TO ATTEND...**

# **Fall Preview Day**

## **The Mississippi School for Mathematics and Science**

**Friday, November 7, 2014**

*Parkinson Hall, Nissan Auditorium*

The MSMS Office of Admissions will host our annual Preview Day on Friday, November 7, 2014, to provide academically-talented students with an opportunity to learn more about the school.

Located in Columbus, MSMS is the state's only public, residential high school for academically-talented juniors and seniors. The academic program is designed to challenge each student based on individual capabilities, background, and interests. Although emphasis is placed on mathematics, science, and technology instruction, MSMS offers a comprehensive curriculum of college-prep and college-level courses in all subjects, including social sciences, foreign languages, and fine and performing arts. All courses meet or exceed AP requirements, and MSMS graduates may be found in top-tier universities throughout the state, nation, and world.

---

### **Draft Agenda for Fall Preview Day:**

12:00 p.m. -- Registration

12:00 p.m. -- Student Performances and Presentations

1:00 p.m. -- Welcome/MSMS Overview

2:00 p.m. -- Student Discussion Panel/Parent Campus Tours

3:00 p.m. -- Parent Discussion Panel/Student Campus Tours

4:00 p.m. -- Recap and Q&A

4:30 p.m. -- Informal reception with faculty and alumni (optional)

---

This event really helps those students (and their parents) who haven't quite decided whether or not to complete the application process. After attending the sessions, taking a look at our campus, and talking with students, faculty, and staff, they have a better idea about the school and the environment, thus helping them make a more informed decision about their last two years of high school.
