Debut of Elements of Engineering

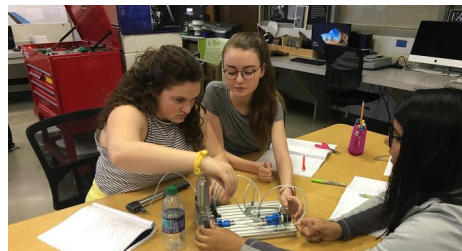

Welcome to the first edition of the *Elements of Engineering Newsletter*. Through this communication we are striving to keep both parents and students informed about the many happenings in the Academy of Engineering.

This will be emailed to parents, students and any interested

parties once a month. Please be sure to check out the scholarship opportunities, pictures from classes and activities, club meeting schedules, special recognitions, and Academy Booster Club information. You may email Mccadofeng@gmail.com with info to be included.

Support the Academy Booster Club!!!

What do your Booster Club \$\$'s Do?

Did you know that your \$25 membership dues directly benefit your student in the Academy of Engineering? Collected membership fees go to offset costs for Senior Capstone Projects as well as the Academy Showcase, You may [JOIN](#) online . Corporate sponsorships are also available, and can be designated to any number of special projects. Please contact mccadofeng@gmail.com with any questions.

MC AOE Advisory Board

In order for our Academy to maintain the Model Academy designation, an Advisory Board must be in place. These industry leaders, post secondary professionals, post secondary students, MC faculty and staff as well as a student representative meet once a quarter to ensure that our students are receiving what they need to be successful during their college years as well as entering their careers. If you know any of these individuals, please thank them for their time and concern for the Academy!
