

Titan Robotics

Summer Camp 2019

VEX IQ and VRC teams, this is your chance to get the edge on next year's VEX IQ and VRC games. We will host the Titan Robotics Summer Camp to help teams plan, build, and test robots before most teams start their season. Come and join us to get that edge you need to beat the rest and start your journey to VEX WORLDS!

Camp capacity: We can accept a maximum of 48 campers based on first come, first served. Make sure to get your registration in early to guarantee your child a spot.

Equipment: We will provide all equipment to test, build and program. (All equipment will be returned at the end of the camp). If teams want to attend, they may bring their own IQ equipment to have it already built for next season.

Shirts: We will provide a camp shirt

Meals and snacks: Students must provide their own meal and drink for lunch. We will provide a daily snack, and drinks will be available for purchase.

Refunds: There will be no refunds issued unless the camp must be cancelled by the event coordinator.

Cost: \$200/camper (includes t-shirt) (grades 3-8)
