The Madison County Schools Responsible Use Policy allows students to use technology inside and/or outside of the classroom. Madison County Schools may provide Internet access, desktop computers, mobile devices, videoconferencing capabilities, online collaboration capabilities, message boards, email, and more.

I have reviewed the MCS Student Technology Handbook and understand the rules and guidelines for the following:

1. District Technology Goals
2. Responsible Use Policy
3. Use of District Mobile technology
4. Device annual usage fee is non-refundable and fees will be assessed for damages.
5. The parent/guardian will be held responsible for \$150.00 (MacBook) / \$50.00 (Chromebook and iPad) replacement cost for lost/stolen device that is not reported within 5 calendar days.

Terms of Agreement

The student is responsible at all times for the care and appropriate use of technology. I understand if my student violates the guidelines agreed to in the MCS Student Technology Handbook, his/her privilege to use technology may be restricted or removed and he/she may be subject to disciplinary action.

I understand that I may be held responsible for reimbursement for loss, damage, or repair of my student's mobile device, which may have occurred at school, at home, or while the mobile device was being transported. The District will monitor any and all usage of the hotspots, including but not limited to the types of data used. The District may also turn off the hotspot, disconnect service to the hotspot, or require return of the hotspot, at its sole discretion.

I acknowledge that I received the following items: Device, Power Supply and Cable, and Case (if provided). The device remains the property of the District. In the incident that the assigned device listed below cannot be repaired, MCS has the right to assign a replacement device.
