

Meet the TEACHER

Mrs. Peri Frazier

welcome to 8th Grade!

I'm so excited to welcome all of my new students and parents for the 2020-2021 school year! I'm planning for a fun and safe school year filled with love, laughter, and learning. In this history class we study American history beginning in 1492 and study through the Reconstruction Era after the Civil War. I teach all of our material based off of Mississippi State Standards and Objectives. There is so much to learn and I can't wait to get started!

About me:

This will be my 7th year teaching and I love it! I'm married to Mr. Adam Frazier who is currently the assistant principal at Ann Smith Elementary. We are proud Ridgeland Titans. I love to run, read, camp, and travel. I have traveled to 20 countries and can't wait until my next trip.
