## Lab *procedures*

- 1 FOLLOW ALL LAB SAFETY RULES. If you fail to do so, you will receive a zero for your lab grade. The lab can be a dangerous place so always be cautious in the lab.
- 2 Conduct yourself in a responsible manner.
- 3 If you can't prove to me that you can behave during class time, then you can't behave during lab time, therefore you can't do the lab.
- 4 Keep your area clean at all times, and clean your area before you leave the lab

# Chemistry policies and procedures

## FOOD & DRINK POLICY

In general, food and drinks are allowed in my class. This is contingent on it not becoming a distraction in class, and as long as students can handle the responsibility. This policy is subject to change at my discretion, and at any time.

**NO FOOD OR DRINKS IN THE LAB AT ANY TIME!!!**

## RESTROOM

Every teacher is assigned a time to go to the restroom during class, and only 5 students can go at a time.

## COMPUTER POLICY

- Only take out your computers when told to do so. If your computer is out and I haven't told you to take them out, you will not be able to use it for the remainder of the period. I will have an alternative assignment for you.
- Only listen to music when allowed, and then only on your computer, not your cell phone, with only **one earphone** in. If you are doing classwork that is not on your computer and I have allowed you to listen to music, halfway close your computer after you have pulled up your music **IF YOU ARE WATCHING VIDEOS OR PLAYING GAMES YOU WILL LOSE THESE PRIVILAGES!** (I should NOT see you browsing on your computer when you are supposed to be doing classwork). You may not have headphones in at any other time.
- When you are finished with your assignment, close your computer. You may not have free time on your computer unless told otherwise.

**ANY OF THIS IS SUBJECT TO CHANGE WITH COVID 19 UPDATES.**

## ABSENCES AND GRADES

- You will have at least **3 quiz grades and 3 test grades** every 9 weeks. If you miss a due date, it is automatically a 50, for up to a week after the assignment was due. After a week, it will remain as a zero. I do not give retests or test corrections.
- Labs are very difficult to make up, so please try your best to be present on lab days.
- You may not miss more than **11 days** in this class during the school year.
- **Tardiness:** If you are tardy to the class, sign the tardy clipboard. If it is the first block of the day, you must have a note from the front office to get into my classroom! Three tardies equal an absence, and on the fourth you will be written up.
- Missed work will be given to you with instructions on what we missed. **MUST BE TURNED IN BY THE SECOND CLASS MEETING AFTER TO GET CREDIT.** I will not call you up to get missed work, you are responsible for coming to me to get missed work!! **MAKE SURE TO MAKE UP MISSED TESTS AND QUIZZES** (the sooner the better so you don't forget the material!)
- **The grade for your make-up work will be put in as a "1" in the gradebook to reflect your grade you will have if you do not make up your work. If it is a "1", you may make up the work. If it is a "0", then you have passed the time for you to turn in your work.**
- **If you are out because of COVID quarantine, YOU ARE STILL REQUIRED TO WORK ONLINE. Everything we are doing in class will be in the modules on Canvas.**

## CELL PHONE POLICY

- You will be able to keep your phones with you, **THEY SHOULD BE IN YOUR BACKPACK.** If I see you on it, I will take it up for the rest of the class.
- There will be times where I will let you listen to music on your phone, **BUT AGAIN IT SHOULD NOT BE OUT UNLESS I ALLOW YOU TO USE IT.**
