

# MRS. ERIN FULCHER, NBCT

7<sup>th</sup> Grade Math

# Materials Needed

- 4-function calculator – You will use this EVERYDAY!

**\*VERY IMPORTANT!!!!**

*(scientific calculators are **not** allowed in 7<sup>th</sup> grade!)*

- Binder just for Math is preferred not required!
  - A-day/ B-day backpacks??
- Plenty of paper and pencils to last them throughout the year!

(pen is **not** accepted on graded assignments!)

# Computer Usage In/Out of Class

- [Clever.com](https://www.clever.com) – *(this is new website!)- how we will access BIM, Khan*
- [bigideasmath.com](https://www.bigideasmath.com)– *(BIM) online Textbook – used daily as HW, CW, Quizzes, Study Guides, Tests. (many used last year)*
- [Khanacademy.org](https://www.khanacademy.org) – **great** extra practice resource (videos, tutorials, practice problems) Great for use at home!

# Internet At Home?

- **Please let me know if you do not have access to internet and a computer/tablet at home.**

# Weekly Homework/Participation Grade

- **All students start each week with a 100, HW/Participation grade!!**
- **Each missing paper homework is 20 points off 😞**
- **Each time a student does not follow the MMS Honor Code/Jag Pledge (minor in-class infractions), OR if they do not put their computers away correctly, 10 points deducted 😞**
- **If a student continues to not follow the Honor Code, parents will be contacted.**

# Jagmarks - graded

- **Students will complete a Jagmark during their full block.**
- **Students MUST keep up with this JM page from the time it is given to them until it is finished. (10 questions per page – 2 per day)**
  - All work and answers must be written on the pag to receive full credit.
  - We do every problem together after they have first *tried* it on their own.

# Teacher Webpage

- I do NOT use Canvas.
- I DO use the MMS website's teacher page.
- On here you will find
  1. *A tentative* outline of the week's plan
  2. Answer Keys to Study Guides for students to use to study with
  3. Copies of my Notes
  4. Information about how to sign up for my Remind messages
  5. ...And more!

# Compacted Math – 4<sup>th</sup> Block only

- This is a high school credit class!
- Students *MUST* maintain an 85 or higher to stay in the class.
- It is called “compacted” because it combines 7<sup>th</sup> and 8<sup>th</sup> grade Math into one course!
- Students have a calendar of the month. This is helpful if they are absent from class.
- I do not tutor. Please encourage your student to ask all questions during class, before school starts (I am here at 7:45!), and during break (in btw 1<sup>st</sup> and 2<sup>nd</sup> block everyday).
