A Note From The Teacher

Merry Christmas! Be looking for information about our Christmas parties from our homeroom moms. We are so so sad that y'all won't be able to be here but we will send lots of pictures! I am so so humbled and thankful for all of your willingness to send and do things to make our crazy year a little special!

Please note that the kids will NOT fix any food or places. I will wear gloves and will fix plates and pass out!
Love, Mrs. Hendricks
