

Germantown High School

GHS Students & Parents,

In our continuing efforts to encourage our students to make good decisions, the faculty, staff and PTO of Germantown High School is sponsoring an alcohol testing program (breathalyzer) that will be implemented for our Prom on March 21, 2020. All GHS students, and their guests, must sign the release form below prior to purchasing a ticket to the prom and must arrive to prom no later than 10:00pm. Upon entrance into the Prom, ALL students will submit to a breathalyzer test. Any positive results (alcohol present on breath) will result in that student not being allowed to enter the Prom and that student’s parents being called and required to come pick up their student.
