

GHS Percussion Accommodations for COVID-19

Students should purchase/own their individual mallet bag/mallet pack, practice pads, Binders, and BOOK. This will assist in cross-contamination of percussion implements used every day in class. Each student will be responsible for their materials. Please be sure you have clearly labeled your materials.

Percussion Class Checklist

***Note:** *If you currently have a few of these you do not have to purchase.
You may choose and select the items to fulfill your Percussion Class material Checklist.*
