

My name is Mrs. Rebecca Guillory. I am very happy to be teaching 2nd grade this year. I have been an educator for 17 years! I love 2nd grade with all the exploring, learning and fun we get to have. I strive to cultivate a classroom environment of curiosity, exploration, wonder, and friendship.

I am a National Board Certified Teacher with a master's degree in elementary education. Teaching children to read, write, and talk about books brings me great joy. I also seek to develop conceptual knowledge in math and science through exploration, inquiry, and investigation. My goal is to foster a love of learning across all subject matter. I love to see my students grow to improve their skills and strategies to become strong learners.

I was raised in beautiful Mississippi. I am blessed with a wonderful husband and two girls, ages 11 and 14. I also have two playful dogs. In my spare time, I love reading, watching movies, playing piano, and going on outdoor adventures with my family and friends. We can often be found fishing, swimming, and kayaking in the lakes and rivers of our wonderful state.
