

Welcome to 11th-grade ACCELERATED ENGLISH III
Summer assignment for Mrs. Clapper-Davis 2024-2025

Upcoming Juniors: I am excited to teach you American Literature this year! To prepare you for the first semester, I will need you to complete the following assignments before the first day of school.

REQUIRED READINGS FOR ALL STUDENTS:

You need to read the two selections and TAKE NOTES for yourself. I will not grade the notes but allow you to use them in class for our assessments. You may take notes in the book in the margins or type out your own notes. Bring your notes/books during the first week of school.

The more annotation and note-taking you do with the book, the easier the assignments will be!

SEE YOU IN THE FALL!!

Please email me with any questions: rclapper@madison-schools.com
