Baleigh's favorite Jag Singer memory is winning Grand Champion at Jackson Academy Show Choir Invationals in 10th grade. This was her first competition with Reveille, which makes it even more memorable! Another fond memory of Baleigh's is sleeping on the floor of the bus on the way to competitions. Baleigh says being a part of Jag Singers has boosted her confidence and self-esteem. When she first started show choir, she would be so nervous before going on stage and would focus on perfecting everything rather than having fun. Now, she no longer battles nerves before going onstage. Instead, she is excited to perform and have fun with people she loves. She has learned so much through this program and will forever be grateful for everything she has learned and the friendships she has made. After graduation, Baleigh will attend Mississippi College and major in marketing with a minor in interior design. A fun fact about Baleigh is she will do the worm anywhere and anytime (as long as she's not in a dress)! Baleigh's advice for younger Jag Singers is "soak it all in and enjoy the moment, because before you know it, it will all be over."
