

MMS TSA 2018-2019

What is TSA?

The Technology Student Association (TSA) is a student lead national organization of students engaged in science, technology, engineering and mathematics (STEM). It is open to any student grades 6-12. Together, chapter members work on competitive events, attend conferences on the state and national levels and have a good time raising funds to get there.

Some Meetings will be AFTER SCHOOL-

You will need to attend and have a ride pick you up by 4:15 SHARP

Middle School and High School Level

Students can work individually or as a team in such areas as agriculture and biotechnology, website design, dragster design, flight challenge, film technology, CAD with 3D modeling, desktop publishing, extemporaneous speaking, radio controlled transportation, or scientific visualization.

Fundraising

With nationals being in Washington, DC this summer, we will be doing a TON of fundraising this year.

- Chicken Biscuits Sales
 - September 13,18,25
 - March 5,19,26
- Dress Up day
 - Hat day in December
- Musee Bath Bomb
 - Month to be determined
- Save Around 2019
 - Waiting on Board approval
- McAlister's Night
 - Waiting on Board approval
- Slice the Price Card - January
- Applebee's Saturday Breakfast
 - We need to pick a month and a Saturday and EVERYONE will have to help with this

Dr. Brown is talking about chartering a flight to Washington, DC next summer. She said it *should* be about the same cost as it was the first time we went, but with flying, it could be more, so that is why we are doing more fundraising.

MMS TSA 2018-2019
